

Wines That ROCK

PLUG INTO A NEW REVOLUTION IN WINE

In honor of Earth Day in April, join us as we welcome rockstar winemaker Mark Beaman and the award-winning sustainable Mendocino Wine Company to Nikolai's Roof.

Dine on delicious cuisine from Chef Olivier De Busschere while listening to legendary artists and their timeless albums - blending one-of-a-kind wines with Rock 'n Roll mythology. Winemaker Mark Beaman will share his inspiration for creating these custom wines.

After dinner, Point of View lounge will offer entertainment of Woodstock classics played live by Atlanta's own, The Rockingbirds.
